NEW SYSTEM OF LIGHTING TO BE TESTED BY BOROUGH

**Tungstens to be Used
Temporarily for Resi-
dence District**

CONTRACT THEN TO BE LET

**Police Matter Taken Up—
Other Important Business
is Considered**

No contract was awarded for supplying the borough with light by council at their regular adjourned meeting Thursday night. Action was taken to the effect that a test of lighting by Tungsten 60 candle power lights for the residence district at the northwest end of town be made, and when the result of this test be made known then the contract will be let. Temporarily the West Penn Electric company has the contract although the agreements between them and the borough expired on July 1. Tungstens will be placed in the northwest district at once, the borough engineer and light committee having designated the streets on which they were to be located this morning.

President J. K. Hein was in the chair and councilmen present were W. R. Gaut, C. O. Frye, Oscar C. Linn and Dr. A. O. Davis.

The matter of electing a policeman which was deferred at a former meeting was again taken up. Quite a list of applicants had applied for the position and council was somewhat divided in their choice. From a canvass it was ascertained that no one could expect four votes council being uncertain that a less number could elect. By motion the matter was left in the hands of the police committee to fill the position indefinitely, such action being required by ordinance where there is a failure to elect.

Borough Engineer Paul G. Elder presented a report of work he had done and the report was accepted and ordered placed on file.

WELL KNOWN YOUNG COUPLE MARRIED AT CHURCH RECTORY

At the rectory of St. Jerome's Catholic church Thursday afternoon at 4 o'clock occurred the wedding of William Aikens, of Monessen and Miss Mary Coulter, daughter of Mrs. J. Coulter, of North Charleroi. The ceremony was performed by Rev. W. D. Fries, pastor of the church, and the couple were attended by William Coulter, a brother of the bride and Miss Lillie M. Rice of Pittsburgh. It is expected that the couple will go to housekeeping in Monessen, where the groom is employed as a millwright in the Pittsburgh Steel company's mill there. Both are popular young people. The bride was formerly employed at W. F. Woolworth's 5 and 10 cent store.

ELDORA PARK TO BE MECCA FOR MINERS

**Pay to be Disbursed at Various Mines Today in
Order to Give Men Opportunity
to Attend Picnic**

Eldora Park will be the Mecca Saturday of miners from this vicinity and the Pigeon Creek valley, it to be the occasion of the annual picnic and outing of the United Mine workers. National mine officials will attend and speak. President Francis Feehan, president of District No. 5 will be the chairman of the meeting. The park will be opened at 8 o'clock in the morning to make arrangements for the crowd which will arrive early.

NOTED MINE LEADER TO ATTEND PICNIC

JOHN P. WHITE, President United Mine Workers.

One of the most noted men in mining circles, none other than John P. White national president of the United Mine Workers will be the chief speaker at Eldora Park Saturday on the occasion of the annual miners picnic there. Mr. White is a self-made man and a good leader for the miners. He was born in Coal Valley, Rock Island county, Ill., February 28, 1870. At an early age after the death of his father, with his mother, brothers and sisters he moved to Lucas county, Iowa, and at 13 became a mule boy in the mines. He became actively identified with the United Mine workers in 1889. He did a whole lot for District No. 13 in Iowa. He was secretary-treasurer of the district, then was elected president. Serving four years he was elected in 1908 to the national vice presidency. He later again became district president, and was then elected national president to succeed T. L. Lewis. Mr. White is married and has four children. His home is in Oskolusa, Iowa.

INVITE THE MINISTERS

**Proposition of Union
Evangelistic Meetings
to be Taken Up**

Ministers and lay workers of Belle Vernon, Monessen and Donora have been invited to Charleroi on Sunday afternoon to take part in a meeting of the Adult Federated Classes and discuss the proposition of holding evangelistic services this fall. The meeting will be held at 3 o'clock and many of the ministers have promised to attend.

Two propositions will be taken up. One will be the holding of a combined evangelistic service by the four towns for which one of the best evangelists would be secured, possibly Rev. Billy Sunday. The other proposition is to hold a continuous string of evangelistic meetings, in each town, one at a time.

EPISCOPAL SUNDAY SCHOOL HAS PICNIC

**Pleasant Day Enjoyed at Beech-
wood Park by Local Church
Workers**

With games and sports of all kinds features one of the most enjoyable picnic and outings ever held by the Sunday School of the Episcopal church was held Thursday at Beechwood Park. An ideal spot for an outing of the kind a large number took advantage of the opportunity for a day in the woods. Leaving on early morning cars they went to the grove. A basket picnic dinner was served. During the afternoon the young people and more adult ones enjoyed themselves as fancy dictated and ball games and various other games were played. The picnickers came home in the evening, tired but happy.

HOPES FOR RESUMPTION

**Glass Trade Picking up and
Stock on Hand Being
Cleaned Out**

An order issued from the Pittsburgh office of the Pittsburgh Plate Glass company to officials of the local Plate Glass plant that none of the machinery be dismantled, and no arrangements be made for shipping any of the glass making apparatus away until specific orders are received, has given the impression among local glass men that the plant here will be started again in possible three or four months. The glass industry is brightening up after a period of depression. A number of independents are starting their factories which have been closed down for some time.

Thursday the grinders finished up at the Charleroi factory and the grinding department closed down. This leaves really only two departments in operation, the Carrara department, for the making of Carrara or white glass, and the pot house department. Shipping of glass from the warehouse of course will be continued.

During this week there was much glass shipped away. Several car loads went out and more cars are being loaded. There is considerable glass stored in the warehouse for shipment.

JIMMY VALENTINE

**WILL HAVE TO GO
SOME TO ESCAPE**

A big crowd is likely to be at Eldora Park Sunday to look for Jimmie Valentine and his pal. A reward of \$15 has been offered by the management for the capture of the elusive Jimmie, and \$5 will be paid for the capture of Jimmie's pal. Jimmie and his pal will arrive at the park between 2 and 3 o'clock and will circulate among the people, patronizing the different amusements until captured.

To get the reward one must be wearing a tag which will be given each person upon entering the park. When any one suspects an individual of being the much sought for one, he must be addressed with this question: "Are you the mysterious Jimmie Valentine?" Any one suspected of being Jimmie's pal must be addressed thusly: "Are you the mysterious Jimmie Valentine's pal?" Every man, woman and child is eligible to hunt for Jimmie and his pal except park employees and their families.

A TIMELY GATHERING.

It is of interest for all mine work-
ers of the valley to attend the outing
and picnic to be held at Eldora Park
Saturday by the miners of the district
composed of the Monongahela and
Eggon Creek territory. At this out-
ing will be present the National ex-
ecutive board of officials, including
President White, as well as the dis-
trict executive board, headed by Dis-
trict President Francis Feehan. Thus
will be assembled for one day the
leading spirits of the miners' organ-
ization for the express purpose of
conferring and advising with the
workers in person, and the words of
advice these leaders will be able to
give will be invaluable.

The coal mining industry, as well
as every other one, is undergoing an
evolution. At the present time both
the industry and the market are badly
demoralized. More mines are opened
and in operation than are necessary
to produce the coal consumed in this
country, and there is more or less
floodness and depression throughout
the year. More men are engaged in
mining than is profitable for the craft,
and with idle miners and price cut-
ting in the market, both the worker
and the operator are between the
millstones of ruthless competition.

It is for the purpose of meeting
this condition and ameliorating it so
far as possible that these councils of
leaders and workers are held. The
miners' organization has been noted
for its wisdom in dealing with this
great economic question, and the sag-
acity of the leaders in adapting the
body to changing conditions, together
with the spirit of fairness which has
governed their deliberations and ac-
tions, has helped to adjust many dif-
ferences that have arisen from time
to time, and which have materially
advanced social conditions among
the workers. The miners' organiza-
tion has been and is blessed with
wise leadership, and this conference
with the leaders at this particular
time is most timely.

SIGNS OF PROMISE.

Scarcely does one door of oppor-
tunity close before another opens.
For that reason business and other
interests in Charleroi should not be

disheartened because the Pittsburgh
Plate Glass factory has closed down
owing to a depression in the market
of its product. The situation is to
be deplored, and although some tem-
porary inconvenience may be exper-
ienced, there is no cause for despair.
The door of opportunity is always
ready to be opened.

Already there are hopeful signs
on the industrial horizon. One of
these is that the plate glass busi-
ness itself is improving, and there is
a possibility that the plant here may
resume operations later on. This
seems plausible, as when present
stocks are exhausted and building op-
erations, which have been rather slow,
resume, the demand for the product
will no doubt increase. This has been
the experience in the past, and there
is no reason why it will not be re-
peated. Other hopeful signs are pros-
pects of coal and coke developments
in the community, which seem most
promising. Charleroi is too good a
town to lose its grip, and the thing
for every one to do is to work for im-
proved conditions which are bound
to come sooner or later.

PICKED UP IN PASSING

A prominent Charleroi physician
states that one day this week he
called to see a patient at Lockview.
Coming home, with his medicine case
in hand, he passed a small girl about
five years of age, who evidently knew
the doctor, although he did not know
her. As he passed he nodded to the
child, and was much surprised when
the little one said:

"No, thank you, doctor, we don't
want one at our house just now."

"While they're busting trusts, why
not take a whirl at the baseball
trust?" asked a Charleroi fan.
"There's a hard and ast money-mak-
ing concern that not only violates
every anti-trust law in the land, but
maintains a blacklist that most ef-
fectually debars a player from the
game if he does not do just what is
doped out to him by the magnates.
Sport, you say, not business? Well
it strikes me that professional base-
ball is a mighty profitable business
for the players and for some of the
big leagues, although I will admit
that it has as many business failures
as any other line of trade or industry,
but the players usually get the big

"Wouldn't the miners' organization
for instance, put up a big 'holler' if
the coal companies passed the word
along to not employ certain individ-
uals of the craft, because they failed
to comply with certain conditions
of one particular firm? The big coal
companies and other industrial con-
cerns used to do this quite openly,
and are accused of doing it now in
secret, but if it can be proven the
concerns can be prosecuted for con-
spiracy or restraint of trade, if they
combine to control things and re-
strict labor.

"But what about organized base-
ball? This trust makes no bones
about blacklisting a player, and not
only that but the newspapers adver-
tise the fact free of charge. It's
up to some player now to enter pro-
ceedings for conspiracy when he gets
blacklisted and can't sell his ser-
vices to some other team because he
doesn't care to work for one particular
team. He can also sue the news-
papers for damages that publish the
fact that he is on the baseball black-
list."

USEFUL ABOUT THE HOUSE

Ammonia Cleans Clothing and Paint
and is Good for Numerous
Other Purposes.

In housekeeping ammonia has many
uses. It is an efficient help about the
wardrobe. Black material, sponged
with a cupful of water in which a
teaspoonful of ammonia has been
mixed, will renew its freshness, while
black silk will lose its objectionable
shininess by such a sponging. A little
ammonia will remove grease from
collars, and when rubbed over corsets
will cleanse them to a nicety. When
mixed with equal parts of turpentine,
ammonia will remove paint stains
from cloth. If the paint is stubborn
it may require several applications be-
fore the work is done. Persevere.
Nothing is so good for boys' tweed
suits as to sponge them with the am-
monia mixture. For toilet use, a small
quantity will soften the water in
which the hair is washed and aid in
cleansing the scalp. It renders the
bath delightful, and carpets, when
thoroughly gone over with ammonia
and water, are surprisingly restored
to something like their original fresh-
ness. When mixed with white wax
and turpentine it makes the best of
polishes for the floor. To relieve the
pain and prevent inflammation result-
ing from the bites and stings of sum-
mer insects ammonia ranks first as a
cure.

EPISCOPALS GIVE GAME TO FIRST PRESBYTERIANS

Evidently disgusted because of their failure to beat the Lutherans the previous night, enough players of the Episcopalists did not show up Thursday night for the game with the First Presbyterians which was forfeited. An exhibition game was then played in which the Presbyterians were soundly beaten. Ten hits were secured off Provance. Kearnes twirled for the picked up team and allowed seven safeties. Score:

BASEBALL BINGLES

Strange what a little defeat will mean. Had the Episcopalists won Wednesday's game from the Lutherans, they would most likely have appeared with a full line-up.

Wilson is playing a strong game on first base and hitting consistently. O'Neil, a new man, had on a Presbyterian uniform and occupied second stall.

Speaking of covering ground, what about Galbraith, the First Presbyterian left fielder? He pulls away about as many hard chances as are defined by the limits of possibility.

Joe Guder, league leader in batting, and the best catcher in the league, was on the job for the Episcopalists, but when the rest of the players failed to show up took charge of the second getting-off-place and played as hard there as he does anywhere. Joseph, by the way is one of the most popular and deserving players in the Church league.

There have been three games forfeited this season, one by the Christians to the Baptists, one by the Baptists to the Washington Avenue Presbyterians, and that of Thursday night by the Episcopalists to the First Presbyterians.

Bert Mitchell wants more hits, and when Bert wants a thing he usually goes after it to get it. Opposing pitchers will do well to take notice.

PAGE TEAM TO PLAY SECOND GAME HERE

Hot Battle Expected Between Independents and Monessen Nine Saturday

The second game of a series of three for the independent championship of the valley with the Page team of Monessen and the Charleroi Independents, will be played on Saturday afternoon at the Charleroi baseball park. The struggle will begin at 3:30 and it promises to be worth while seeing. The Page team played one game in Charleroi some time ago and were beaten after a terrific battle by the Charleroi nine, McIlvaine pitching. Hogg twirled for Monessen. Another strong line-up will be presented by Page, of which Barney Wolfe will probably be the head. Hogg will most likely pitch and Doney will receive. For Charleroi Furnier, or Kiefer will probably do slab duty and Makepeace, that hard-hitting catcher from Pricedale will probably do the receiving.

Church League to Lose Some of Best Baseballists--True Sportsmanship Needed

Church league fans were rather disgusted Thursday night when the Episcopal failed to appear with a complete line-up and some expressions of disapproval were heard. The game was the third one this season to be forfeited. The Episcopalists are not blamed any more than the others however, for not appearing, except that it put them in a bad light owing to the defeat the previous evening by the Lutherans, deciding the race for the pennant.

One man said: "There were 70 paid admissions to the game between the Episcopal and the First Presbyterians. Of course that is not many, but it could be about 70 less. Can we not have a better class of sportsmanship among the players? The pennant race has been decided, of course, but that doesn't mean that any team should quit. The interest is still alive for the other positions in the league, and to my notion there will be some warm battles next week which may mean some changes in the standing. Blue blood is what makes a player a real player, and I fear that is sadly lacking among some of those who are members of Church league teams."

The Lutherans' "Three Jolly Musketeers," Joe Mason, Eddie Butz, and Carl Wertz, all announce their retirement from baseball at the close of the present season. Butz leaves here about August 20 to accept a position in Chicago with the Western Electric company and does not have time for any more baseball, while Joe and Capt. Wertz both claim that they have served their time in the great National pastime and will step aside to make room for the younger bloods. In point of diamond service, Joe Mason has a lengthy record having piloted no less than twelve pennant winners in his time. Here is Joe's baseball history:

1899—Captain Allegheny High School, Scholastic Champions.
1900—Manager-Captain Windsor A. C. Amateur Champions of Pittsburgh.
1901—Manager-Captain Windsor A. C. Amateur Champions of Pittsburgh.

1907—Captain Penn State nine, Intercollegiate Champions.
1907—Captain Nazareth, Pa., Pennant Winners, Blue Mountain League
1908—Captain Mosgrove, Pa., Independent Team.
1909—Captain Methodist Team, Pennant Winners in Charleroi Church League

MISS DOROTHY IS "COMMON"

Her Friendliness Was the Kind That Made People Feel at Home With Her.

When people asked Mrs. Hobart which of the two Lombards she liked the better, she was always prompt to reply, "I like em both first-rate, but Miss Dorothy's my favorite, because she's so common. Miss Mary is different."

"Common!" echoed the summer boarder to whom Mrs. Hobart first made this statement. "What do you mean?"

"Why, I mean common," repeated Mrs. Hobart with firmness, "like folks. What else does common mean, I'd be glad to know? One day they came to see me together, and I hadn't more'n sat down with em before I heard something on the stove sizzling the way they do when they've got all but to the top and are just about ready to surge over. I said, 'Excuse me a minute, and run, for I don't let things boil over on my stove, not if 'twas kings and queens in the sitting room.'"

"When I came back, they sat here, looking pretty as roses, both of 'em. And Miss Mary said, in that sweet voice of hers, gazing out over the hen yard, 'What a pleasant view you have, Mrs. Hobart?'"

"Now that was real society tact, I s'pose, for the window she'd chosen don't command any view beyond the hen yard but the barn. But Miss Dorothy, bless her little heart, looked right at me, with her eyes all twinkly, and she said, 'O, I hope it didn't boil over, Mrs. Hobart, and I felt at home with her right off.'—Youth's Companion.

Vanity's Excuse.

The peacock spread his gorgeous tail and strutted around, proud of his magnificence. "Still," he squawked, "I'm only doing this for the credit of the family; my wife ought to wear the bustle, you know, but she doesn't."

NEW SYSTEM OF LIGHTING TO BE TESTED BY BOROUGH

**Tungstens to be Used
Temporarily for Resi-
dence District**

CONTRACT THEN TO BE LET

**Police Matter Taken Up—
Other Important Business
is Considered**

No contract was awarded for supplying the borough with light by council at their regular adjourned meeting Thursday night. Action was taken to the effect that a test of lighting by Tungsten 60 candle power lights for the residence district at the northwest end of town be made, and when the result of this test be made known then the contract will be let. Temporarily the West Penn Electric company has the contract although the agreements between them and the borough expired on July 1. Tungstens will be placed in the northwest district at once, the borough engineer and light committee having designated the streets on which they were to be located this morning.

President J. K. Hein was in the chair and councilmen present were W. R. Gaut, C. O. Frye, Oscar C. Linn and Dr. A. O. Davis.

The matter of electing a policeman which was deferred at a former meeting was again taken up. Quite a list of applicants had applied for the position and council was somewhat divided in their choice. From a canvass it was ascertained that no one could expect four votes council being uncertain that a less number could elect. By motion the matter was left in the hands of the police committee to fill the position indefinitely, such action being required by ordinance where there is a failure to elect.

Borough Engineer Paul G. Elder presented a report of work he had done and the report was accepted and ordered placed on file.

JOHN P. WHITE, President United Mine Workers.

One of the most noted men in mining circles, none other than John P. White national president of the United Mine Workers will be the chief speaker at Eldora Park Saturday on the occasion of the annual miners picnic there. Mr. White is a self-made man and a good leader for the miners. He was born in Coal Valley, Rock Island county, Ill., February 28, 1870. **BOAT EXCURSIONS
TO BE GIVEN AS
CHURCH BENEFITS**

A special committee from Charleroi Council, No. 956, Knights of Columbus, is arranging for two excursions to be given on August 22, as benefits for St. Jerome's new church fund. One excursion will leave in the morning and another in the evening, both for down river.

The steamer Sunshine has been chartered for the occasion. There will be dancing and other amusements. Indications are that the excursion will be a big affair.

INVITE THE MINISTERS

**Proposition of Union
Evangelistic Meetings
to be Taken Up**

Ministers and lay workers of Belle Vernon, Monessen and Donora have been invited to Charleroi on Sunday afternoon to take part in a meeting of the Adult Federated Classes and discuss the proposition of holding evangelistic services this fall. The meeting will be held at 3 o'clock and many of the ministers have promised to attend.

Two propositions will be taken up. One will be the holding of a combined evangelistic service by the four towns for which one of the best evangelists would be secured, possibly Rev. Billy Sunday. The other proposition is to hold a continuous string of evangelistic meetings, in each town, one at a time.

EPISCOPAL SUNDAY SCHOOL HAS PICNIC

**Pleasant Day Enjoyed at Beech-
wood Park by Local Church
Workers**

With games and sports of all kinds features one of the most enjoyable picnic and outings ever held by the Sunday School of the Episcopal church was held Thursday at Beechwood Park. An ideal spot for an outing of the kind a large number took advantage of the opportunity for a day in the woods. Leaving on early morning cars they went to the grove. A basket picnic dinner was served. During the afternoon the young people and more adult ones enjoyed themselves as fancy dictated and ball games and various other games were played. The picnickers came home in the evening, tired but happy.

HOPES FOR RESUMPTION

**Glass Trade Picking up and
Stock on Hand Being
Cleaned Out**

An order issued from the Pittsburgh office of the Pittsburgh Plate Glass company to officials of the local Plate Glass plant that none of the machinery be dismantled, and no arrangements be made for shipping any of the glass making apparatus away until specific orders are received. This has given the impression among local glass men that the plant here will be started again in possible three or four months. The glass industry is brightening up after a period of depression. A number of independents are starting their factories which have been closed down for some time.

Thursday the grinders finished up at the Charleroi factory and the grinding department closed down. This leaves really only two departments in operation, the Carrara department, for the making of Carrara or white glass, and the pot house department. Shipping of glass from the warehouse of course will be continued.

During this week there was much glass shipped away. Several car loads went out and more cars are being loaded. There is considerable glass stored in the warehouse for shipment.

JIMMY VALENTINE WILL HAVE TO GO SOME TO ESCAPE

A big crowd is likely to be at Eldora Park Sunday to look for Jimmie Valentine and his pal. A reward of \$15 has been offered by the management for the capture of the elusive Jimmie, and \$5 will be paid for the capture of Jimmie's pal. Jimmie and his pal will arrive at the park between 2 and 3 o'clock and will circulate among the people, patronizing the different amusements until captured.

To get the reward one must be wearing a tag which will be given each person upon entering the park. When any one suspects an individual of being the much sought for one, he must be addressed with this question: "Are you the mysterious Jimmie Valentine?" Any one suspected of being Jimmie's pal must be addressed thusly: "Are you the mysterious Jimmie Valentine's pal?" Every man, woman and child is eligible to hunt for Jimmie and his pal except park employees and their families.

EPISCOPALS GIVE
GAME TO FIRST
PRESBYTERIANS

Evidently disgusted because of their failure to beat the Lutherans the previous night, enough players of the Episcopalists did not show up Thursday night for the game with the First Presbyterians which was forfeited. An exhibition game was then played in which the Presbyterians were soundly beaten. Ten hits were secured off Provance. Kearnes twirled for the picked up team and allowed seven safeties. Score:

BASEBALL BINGLES

Strange what a little defeat will mean. Had the Episcopalists won Wednesday's game from the Lutherans, they would most likely have appeared with a full line-up.

Wilson is playing a strong game on first base and hitting consistently. O'Neil, a new man, had on a Presbyterian uniform and occupied second stall.

Speaking of covering ground, what about Galbraith, the First Presbyterian left fielder? He pulls away about as many hard chances as are defined by the limits of possibility.

Joe Guder, league leader in batting, and the best catcher in the league, was on the job for the Episcopalists, but when the rest of the players failed to show up took charge of the second getting-in-place and played as hard there as he does any place. Joseph, by the way is one of the most popular and deserving players in the Church league.

There have been three games forfeited this season, one by the Christians to the Baptists, one by the Baptists to the Washington Avenue Presbyterians, and that of Thursday night by the Episcopalists to the First Presbyterians.

Hot Battle Expected Between Independents and Monessen Nine Saturday

The second game of a series of three for the independent championship of the valley with the Page team of Monessen and the Charleroi Independents will be played on Saturday afternoon at the Charleroi baseball park. The struggle will begin at 3:30 and it promises to be worth while getting.

The Page team played one game in Charleroi some time ago and were beaten after a terrific battle by the Charleroi nine, McIlvaine pitching. Hogg twirled for Monessen. Another strong line-up will be presented by Page, of which Barney Wolfe will probably be the head hog will most likely pitch and Doney will receive. For Charleroi Furner, or Kiefer will probably do slab duty and Makepeace, that hard-hitting catcher from Pricedale will probably do the receiving.

Church League to Lose Some of Best Baseballists—True Sportsmanship Needed

Church league fans were rather disgruntled Thursday night when the Episcopalists failed to appear with a complete line-up and some expressions of disapproval were heard. The game was the third one this season to be forfeited. The Episcopalists are not blamed any more than the others, however, for not appearing, except that it put them in a bad light owing to the defeat the previous evening by the Lutherans, deciding the race for the pennant.

One man said: "There were 70 paid admissions to the game between the Episcopalists and the First Presbyterians. Of course that is not many but it could be about 70 less. Can we not have a better class of sportsmanship among the players? The pennant race has been decided of course, but that doesn't mean that any team should quit. The interest is still alive for the other positions in the league, and to my notion there will be some warm battles next week which may mean some changes in the standing. Blue blood is what makes a player a real player, and I fear that is sadly lacking among some of those who are members of Church league teams."

The Lutherans' "Three Jolly Musketeers," Joe Mason, Eddie Butz, and Carl Wertz, all announce their retirement from baseball at the close of the present season. Butz leaves here about August 20 to accept a position in Chicago with the Western Electric company and does not have time for any more baseball, while Joe and Capt. Wertz, both claim that they have served their time in the great National pastime and will step aside to make room for the younger bloods. In point of diamond service Joe Mason has a lengthy record having piloted no less than twelve pennant winners in his time. Here is Joe's baseball history:

1899—Captain Allegheny High School, Scholastic Champions.
1900—Manager-Captain Windsor A. C. Amateur Champions of Pittsburgh.
1901—Manager-Captain Windsor A. C. Amateur Champions of Pittsburgh.

MISS DOROTHY IS "COMMON"

Her Friendliness Was the Kind That Made People Feel at Home With Her.

When people asked Mrs. Hobart which of the two Lombards she liked the better, she was always prompt to reply, "I like em both first-rate, but Miss Dorothy's my favorite, because she's so common. Miss Mary is different."

"Common?" echoed the summer boarder to whom Mrs. Hobart first made this statement. "What do you mean?"

"Why, I mean common," repeated Mrs. Hobart with firmness, "like folks. What else does common mean, I'd be glad to know." One day they came to see me together and I hadn't more'n sat down with em before I heard something on the stove sizzling the way they do when they've got all but to the top and are just about ready to surge over. I said, "Excuse me a minute, and run, for I don't let things boil over on my stove, not if 'twas kings and queens in the sitting room."

"When I came back, they sat here, looking pretty as roses, both of 'em. And Miss Mary said, in that sweet voice of hers gazing out over the hen yard, 'What a pleasant view you have, Mrs. Hobart?'"

"Now that was real society tact, I s'pose, for the widow she'd chosen don't commend any view beyond the hen yard but the barn. But Miss Dorothy, bless her little heart, looked right at me, with her eyes all twinkly, and she said 'O, I hope it didn't boil over, Mrs. Hobart, and I felt at home with her right off.'—Youth's Companion.

Vanity's Excuse.

The peacock spread his gorgeous tail and strutted around, proud of his magnificence. "Still," he squawked, "I'm only doing this for the credit of the family. My wife ought to wear a blue dress, you know, but she doesn't."
